

## **CURRICULUM VITAE**

### **PERSONAL**

Name: Edward L. Gheiler, M.D.

Office Phone: 305-822-7227  
Office Fax: 305-827-6333

Office Address: 2140 West 68<sup>th</sup> Street, Suite 200  
Hialeah, FL 33016

e-mail Address: egurology@gmail.com

Specialty: Urology

Citizenship: United States

### **HIGHER EDUCATION**

Undergraduate: Yeshiva University  
B.A., A.A., (08/1984 - 06/1988)  
Cum Laude, Yeshiva University, 1988

Medical: Albert Einstein College of Medicine  
M.D., (08/1988 – 06/1992)

Residency: Wayne State University  
Department of General Surgery  
(08/1992 – 06/1994)

Wayne State University  
Department of Urology  
(08/1994 – 06/1998)

Fellowship: Wayne State University  
Fellow in Urologic Oncology  
(06/1998 – 08/1999)

Certification: Board Certified American Board of Urology  
(02/2001 – 02/2011)  
(02/2011 – 02/2012)

Medial Licensure:

Florida 1993	(ME-0074630)	Active
Michigan 1993	(4301059768)	Inactive

## **EXPERIENCE**

### University Appointments

Assistant Professor: Wayne State University, Department of Urology, Detroit, Michigan, 07/1998 – 07/1999.

Assistant Professor: University of Miami, Department of Urology, Miami, Florida, 07/1999 – 10/2001.

Chief of Urology: Veterans Hospital Administration  
Miami, Fl 07/1999 – 10/2001

Voluntary Assistant Professor: University of Miami, Department of Urology, Miami, Florida, 11/2001 – 12/2004

### Current Practice

SFM Urology 18, LLC  
2140 West 68<sup>th</sup> Street, Suite 200  
Hialeah, FL 33016  
10/2012 to current

### Prior Practice

Urology Specialists, LLC  
12/2001 to 10/2012

### Hospitals:

Active:

Palmetto General Hospital

Palm Springs Hospital

Coral Gables Hospital

Miami Lakes Surgery Center

Non Active:

Detroit Medical Center  
Detroit MI 07/1998 – 07/1999

Veterans Medical Hospital  
Detroit MI 07/1998 – 07/1999

Jackson Memorial Hospital  
Miami, FL 07/1999 – 12/2001

Sylvester comprehensive Cancer Institute  
Miami, FL 07/1999 – 12/2001  
Veterans Hospital Administration  
Miami, FL 08/1999 – 05/2002

Cedars Medical Center  
Miami, FL 08/1999 – 12/2004

Mount Sinai Medical Center

Aventura Hospital

Hialeah Hospital

Memorial Miramar

PROFESSIONAL

**Funded Research:**

National Cancer Institute Grant: Selenium and Vitamin E Cancer Prevention Trial. \$1,000.00 per patient (total amount IBA). June 2000  
Principal Investigator: Edward L. Gheiler, M.D.

**Urological Research Network**

Position: Chairman

1. Coloplast: Principal Investigator. "Titan CL Reservoir for Erectile Dysfunction. Market Acceptance Test (MAT)." March, 2011.
2. Coloplast: Principal Investigator. "Altis Single Incision Sling System for Female Stress Incontinence Study Investigational #: CP006SU." February, 2011.

3. Pfizer: Principal Investigator. "A 12-week, Phase 4, randomized, double-blind, placebo controlled, parallel group, multicenter trial in Overactive Bladder subjects to confirm the efficacy of 8 mg Fesoterodine compared to 4mg Fesoterodine." June, 2011.
4. Astellas - Vanguard: Sub-Investigator. " A randomize, double-blind, parallel, placebo-controlled, phase 4, multi-center study to assess efficacy and safety of VESicare (Solifenacin Succinate) to improve urinary continence of subjects after Robotic Assisted Radical Prostatectomy" February, 2011.
5. ENDO Pharmaceuticals: Sub-Investigator. "A Retrospective Analysis to Evaluate the Effectiveness, Safety and Tolerability of of Intravesical Valrubicin for the Treatment of Non-Muscle Invasive Bladder Cancer in Clinical Practice" May, 2011.
6. ENDO Pharmaceuticals: Sub-Investigator. "A Prospective Registry to Assess the Effectiveness, and Local Tolerability of Intravesical Valrubicin in Subjects with Non-Muscle Invasive Bladder Cancer in Clinical Practice" March, 2011.
7. ENDO Pharmaceuticals: Sub-Investigator. "A Phase 3-B, Randomized, Open-Label, Multi-Center Study To Evaluate The Efficacy and Safety of Maintenance Therapy with Valrubicin Versus No Valrubicin Induction for Carcinoma In Situ (CIS) of the Bladder. July, 2011.
8. Astellas – SYNERGY: Principal Investigator. "A Randomized, Double-Blind, Parallel-Group, Placebo- and Active-Controlled, Multi-center Study to Evaluate the Efficacy, Safety and Tolerability of Combinations of Solifenacin Succinate and Mirabegron Compared to Solifenacin Succinate and Mirabegron Monotherapy in the Treatment of Overactive Bladder". February, 2014.
9. Dendreon Corporation N10-1. Sub-Investigator "A Randomized, Phase 2, Open-Label Study Evaluating DN24-02 Adjuvant Therapy in Subjects with High Risk HER2+ Urothelial Carcinoma". August, 2012
10. Aragon Pharmaceuticals ARN-509-003. Sub-Investigator "A Multicenter, Randomized, Double-Blind, Placebo-Controlled, Phase III Study of ARN-509 In Men With Non-Metastatic (MO) Castration-Resistant Prostate Cancer". September, 2014.
11. Clinic Event Committee for Coloplast (Sep-2015). Review and adjudicate adverse events that occur for the post-market clinical study titled Restorelle Transvaginal Mesh versus Native Tissue Repair for Treatment of Pelvic Organ Prolapse and the post-market clinical study titled Exair Prolapse Repair System versus Native Tissue Repair for Treatment of Pelvic Organ Prolapse.

12. Coloplast: Principal Investigator "Single Incision Sling System vs. Transobturator or Retropubic Mesh Sling in the Treatment of Female Stress Urinary Incontinence, Altis 522 Study" April, 2015

## **PUBLICATIONS**

### **Book Chapters**

1. Tefilli MV, Pontes JE, Gheiler EL: Management of recurrent disease after definitive therapy: Book: Klein: Management of prostate cancer, Humana Press, Inc.
2. Tefilli MV, Gheiler EL, Pontes JE: Management of Prostate-Specific Antigen Failure after Definitive therapy for Clinically Localized Prostate Cancer. Book Resnick and Thompson, Advanced Therapy of Prostate Disease, B.C. Decker, 2000.

## **Presentation Meetings:**

### **Foley Catheterization Is Not Routinely Necessary During 3-Piece Inflatable Penile Prosthesis placement**

Edward L. Gheiler, MD, Paul Perito, MD, Isabel H. Lopez, MD, Maximiliano Sorbellini, MD, Fernando J. Bianco, MD, Miami, FL Presented at the 2011 Sexual Medicine Society of North America Conference, Las Vegas, NV

### **Option to Under-fill Titan® CL Reservoir for Alternative/Ectopic Placement**

Paul Perito, MD FACS (Miami, FL), Edward Gheiler, MD FACS, Fernando J. Bianco, MD, Steven K Wilson, MD FACS FRCS Presented at the 2011 Sexual Medicine Society of North America Conference, Las Vegas, NV

### **Early Experience with the Coloplast Titan® CL Reservoir**

Arnold Bullock, MD, J. Antonio Alarcon, MD, William Brant, MD, Edward Gheiler, MD, Tobias Kohler, MD, Andrew Kramer, MD, John Ludlow, MD, Paul Perito, MD, Gary Price, MD, Hossein Sadeghi-Nejad, MD, Christopher Steidle, MD, Robert Valenzuela, MD Presented at the 2011 Sexual Medicine Society of North America Conference, Las Vegas, NV

### **A Novel Technique for the Correction of Peyronie's Plaque During Inflatable Penile Prosthesis Placement**

Paul E. Perito, MD, FAC, Edward Gheiler, MD, FACS, Fernando J. Bianco, MD, Chase anerpol, RA, Alfredo Suarez-Sarmiento Jr., RA, Alfredo Suarez-Sarmiento, MD (Miami, L) Presented at the 2011 Sexual Medicine Society of North America Conference, Las Vegas, NV

### **Hispanic Male Satisfaction with 3-piece Inflatable Penile Prosthesis Validated by Erectile Dysfunction Inventory of Treatment Satisfaction**

Edward L Gheiler, MD, Paul Perito, MD, Juan Guerra, MD, Isabel H Lopez, MD, Gustavo PenaLaGrave, MD, Maximiliano Sorbellini, MD, Fernando J Bianco, MD, Miami FL Presented at the 2011 Sexual Medicine Society of North America Conference, Las Vegas, NV

### **Repair of Meatal Laceration during prosthesis implantation allows preservation of implant.**

Perito P., Gheiler E. Presented at 2010 Annual Meeting Sexual Medicine Society of North America, Miami, Florida.

### **Other works accepted for publication Letter to the Editor**

1) Gheiler EL. Ileal neobladder and local recurrence of bladder cancer: patterns of failure and impact on function in men. J. Urol 1640 ): 128. July 2000.

### **Professional and Honorary Organizations:**

American Urological Association

American Board of Urology

Society of Urologic Oncology

Fellow of the American College of Surgeons

Sexual Medicine Society of North America

Peruvian American Medical Society

Confederacion Americana De Urologia

La Sociedad Latinoamericana de Medicina Sexual

### **Honors and Awards:**

Residents Day Competition, Michigan Urological Association, Honorable mention, 1998.

Residents Day Competition, Michigan Urological Association, Honorable mention, 1996.

### **Other Professional Activities: Other invited lectures**

1) Orthotopic Neobladder to the Urethra: A Comparison of Three Techniques. Michigan Urological Society Annual Residents Day Competition May, 1995.

- 2) Laparoscopy for the Impalpable Testis: A Case for the Jones Approach. Michigan Urological Society Annual Residents Day Competition, May, 1996.
- 3) Laparoscopy for the Impalpable Testis: A Case for the Jones Approach. American Academy of Pediatrics Annual Meeting, Boston, Massachusetts, April, 1996.
- 4) Immediate Endoscopic Realignment of Prostatomembranous Urethral Disruptions Using Endourological Techniques. North Central Section Meeting of the American Urological Association, Tucson, Arizona, April 1996.
